CLEAR SPACE & MINIMUM SIZE

Maintain clear space equal to the cap-height of "V" on all sides of the logo. **Minimum size:** 1.5 in wide in print | 120px wide in digital applications.

LOGO DO'S & DON'TS

- | | |
|---|---|
| ✓ Use only approved color versions. | ✗ Do not recolor in unapproved colors. |
| ✓ Maintain proportions — never stretch or skew. | ✗ Do not add shadows, outlines, or special effects. |
| ✓ Ensure high contrast between logo and background. | ✗ Do not place on busy photographic backgrounds. |

Brand Voice & Tone

VVS communicates with the confidence of a seasoned industry expert and the warmth of a trusted business partner. Our voice is direct, knowledgeable, and genuinely invested in our customers' success — never corporate, never condescending.

VOICE PILLARS

EXPERT

We know this industry deeply. We speak with authority on equipment specs, location strategy, ROI, and the realities of running a vending business.

ENTREPRENEURIAL

We celebrate the hustle. We treat every customer as a fellow business-builder — not just a buyer — and genuinely invest in their success.

ACCESSIBLE

No jargon walls. We make vending simple and inviting, especially for newcomers exploring this industry for the first time.

COMMUNITY-DRIVEN

We talk about impact — how better vending improves workplaces, neighborhoods, and quality of life. We're not just selling machines.
